Medical Update:

Friday 9/16 Update: Praise the Lord! Kathy has been cleared to go home on the afternoon of 9/16!

Kathy will be home for three weeks or so before her next chemotherapy treatment. Kathy had a bone marrow biopsy on Friday and we are awaiting the results of that. Once those results are in, we will have a better timeline for treatment. We are scheduled to meet with the bone marrow transplant team next week and get more information. Thank you for your prayers, love, and walking this journey with us. Love, Kathy and Pastor Brett
