Kathy Spalding continues to get stronger. There is still a long road ahead, but Kathy and Brett know that God is walking with them. Their mail is forwarded regularly, so send cards to Kathy at their regular address:

Daryl and Leshia Beltz had sent an update regarding Daryl's health and their financial situation. His platelet count has dropped a bit, down to 11k (should be 150k) and he is still having troubles with dizziness, headaches, and weakness. Continue to pray for a matching bone marrow donor.

They praise God for many people who stepped up and filled their financial gaps and needs. Leshia's car is repaired, their kitchen appliances are working again, and so is their air conditioning. A couple of people sent special gifts to help with medical expenses.
