We are serving Community Table this Tuesday, July 4th

Speak with Pastor Brett and Kathy to help cook, serve, and clean up - and smile and talk with our dinner guests. Everyone needing a hot meal, or just wanting fellowship, is invited to stop in and eat anywhere between 4:30 p.m. and 6:00 p.m.

Regulation (repairs and adjustments) of our Yamaha grand piano is underway. The cost is \$2,500 and the work will put our piano out of commission for another 4 weeks or so. In addition, we will have an \$800 climate control system installed in the grand piano to keep it in tune longer. You can assist with this extra expense. Add a memo to your check: “Piano Repair.” Donations made to date: **\$1,130.00.**

Please sign the red registration pad in your pew and pass it along. You might meet someone new!

Update from Daryl Beltz, June 28th:

Hi Friends,

I would like to say thanks for all of your prayers and concern on our behalf.

This will be just a short update, not much new to report.

I am still going twice a week for transfusions and other doctor appointments ;that is going well.

We met with my oncologist last Friday, she is pleased that my blood work remains fairly stable. In addition I recently finished my first round of chemotherapy. I did well with that, and only had a few side effects. I will begin my second round of chemo next Tuesday. Tentatively I can expect to receive my transplant near the end of August or the beginning of September. My energy level these days is down to zero. I am still having significant pain with my headaches, and the doctor suspects that I am experiencing more bleeding in my head. They have scheduled another CT scan this week on Friday.

Many thanks for your prayers, and concern, Daryl
