Regulation (repairs and adjustments) of our Yamaha grand piano has been arranged. While the piano still sounds wonderful, thanks to our talented accompanists, our piano repair technician has been recommending this work for three years. The cost is \$2,500 and the work will put our piano out of commission for 6-8 weeks. In addition, we will have an \$800 climate control system installed in the grand piano to keep it in tune longer. If you’d like to make an additional gift to the church to assist in these extra expenses, add a memo “Piano Repair.”

Mark your calendar! Our next turn for serving Community Table is June 20. Speak with Nancy Parker to help cook, serve, and clean up - and smile and talk with our dinner guests.

Kathy Spalding update: Doing well after her stem cell transplant. Keep praying for continued recovery. Spalding’s mail is being forwarded, so send cards to Kathy at their regular address:
