### Regulation (repairs and adjustments) of our

**Yamaha grand piano** has been arranged. While the piano still sounds wonderful, thanks to our talented accompanists, our piano repair technician has been recommending this work for three years. The cost is \$2,500 and the work will put our piano out of commission for 6-8 weeks. In addition, we will have an \$800 climate control system installed in the grand piano to keep it in tune longer. If you’d like to make an additional gift to the church to assist in these extra expenses, add a memo “Piano Repair.”
